

Simpler Funerals - A Natural Choice

About **People's Memorial Association**

Founded in 1939, People's Memorial Association (PMA) is a non-profit organization that helps individuals and families in Western and Central Washington *avoid the confusion, sales pressure and high expense often associated with cremation and burial arrangements*. PMA provides education and advocacy for consumers regarding end-of-life matters.

Members pay one low lifetime membership fee of \$25 to join this organization. As a member of PMA you are also a member/owner of the People's Memorial Funeral Cooperative. Your membership entitles you to significant cost savings at not only our Seattle cooperative but at our contracted funeral homes, a cemetery and monument company. In addition, we provide information and planning forms to help assure that you receive the best value possible and your wishes are honored.
